## FAN DANCE DEMONSTRATION

[Click here to view the video portion of this lesson.](#)

Japanese traditional dance has a history stretching back centuries, with the oldest forms relating to farming and fishing.

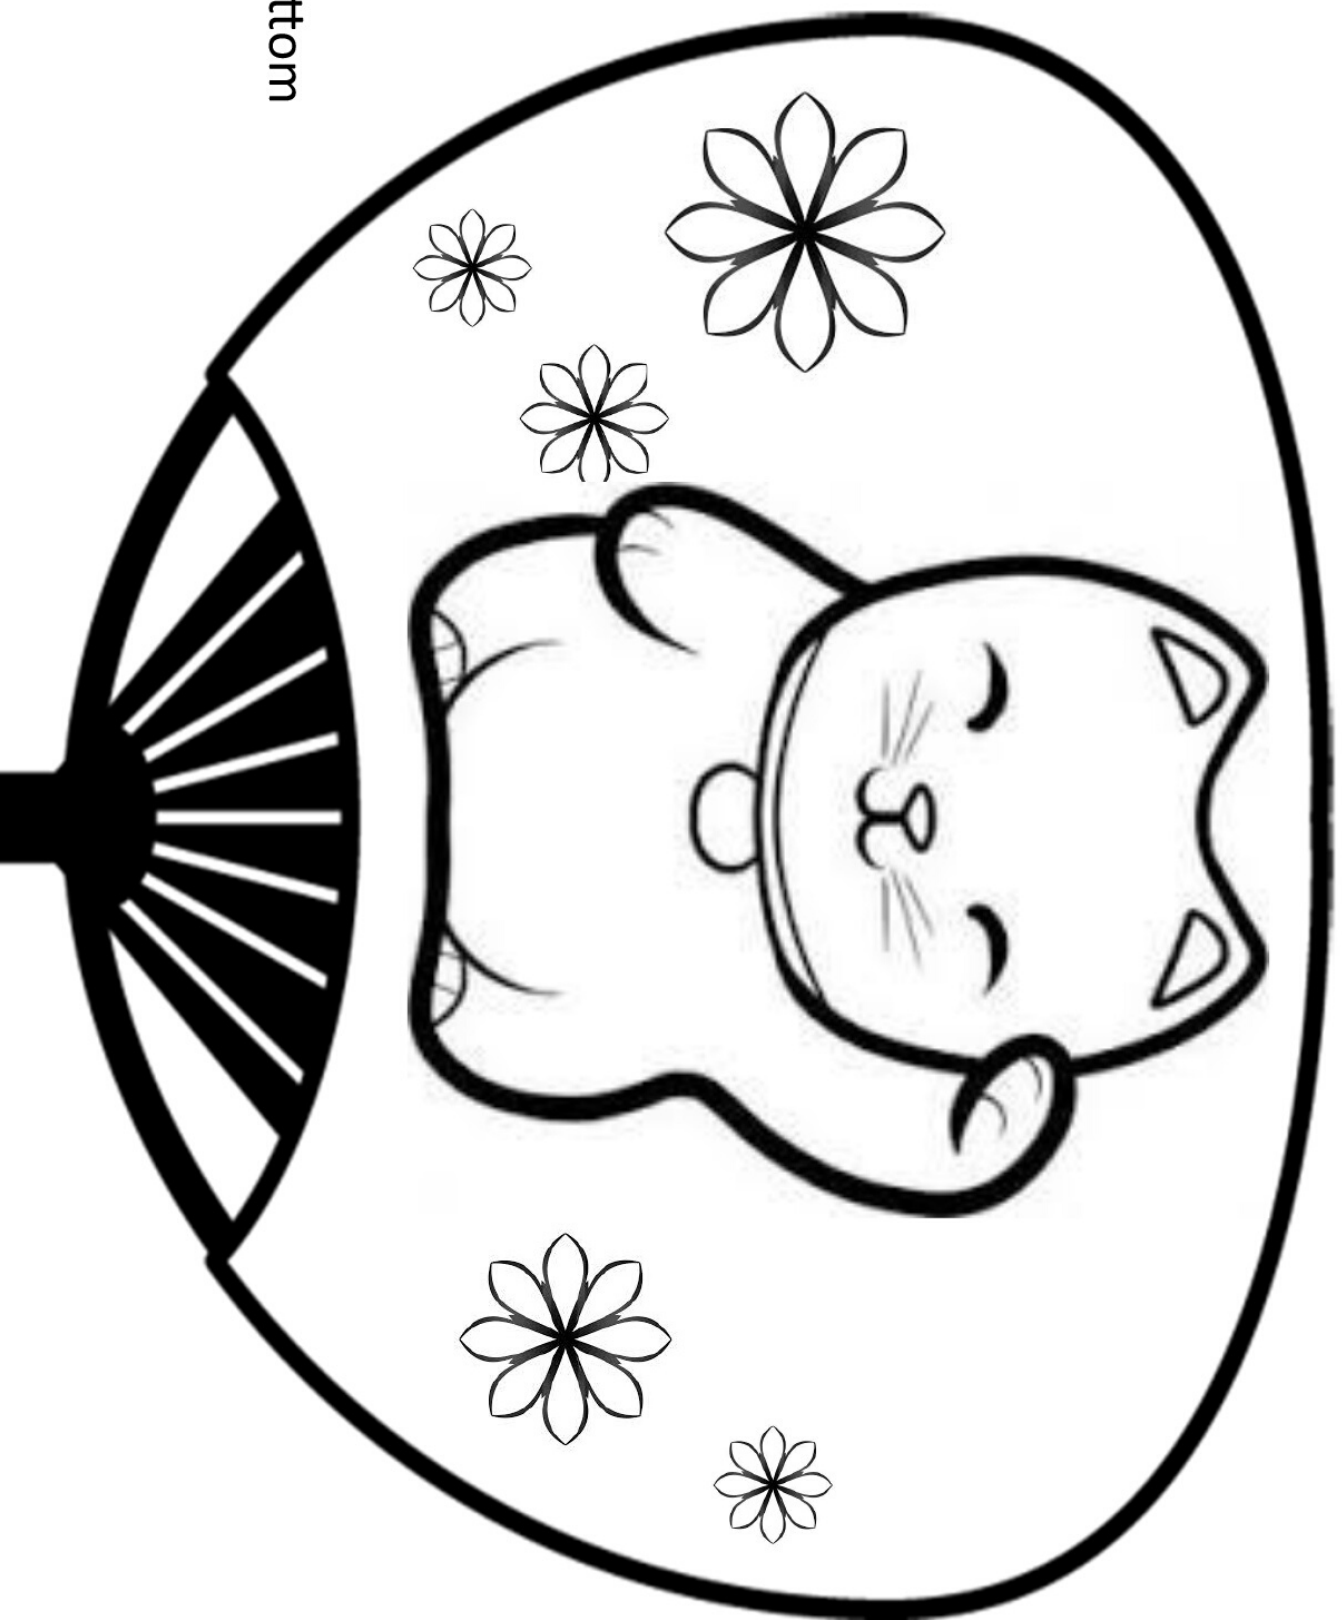

For this demonstration, print out one of the two designs included in this document, decorate them any way you'd like, and then tape them to a popsicle stick or anything you can use as a handle.

Then view the video portion of this lesson to learn a very basic dance that tells the story of a the daily life of a farmer in old Japan.
